Notes:

The above Financial results were reviewed by the Audit Committee and then approved by the Board of Directors at its meeting held on Febrauary 09, 2023. These financial statements are prepared in accordance with the Indian Accounting Standards (IND AS) as prescribed under section 133 of the Companies Act, 2013.

The Board of Directors of the Company, being the Chief Operating Decision Maker ('CODM'), based on the internal business reporting system, identified that the Company has only one segment viz. vitrified tiles. Accordingly, there are no other reportable segments in terms of Ind AS 108 'Operating Segments'.

Considering the provisions of lind AS12 'Income taxes' and as a matter of prudence, accrual of deferred tax asset as at December 31, 2022 has been restricted to the amount of deferred tax liability.

The Auditors had qualified the financial statements of the Company for the quarter and nine months ended December 31, 2022 and for the financial year ended March 31, 2022 regarding adoption of Going Concern principles for the said periodiyear. The issue of negative operating cash flows and incurrence of operating losses—over the years highlighted by Auditors are being addressed through proposed restructuring of operations.

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fundand Gratuity. The Ministry of Labourand Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and hasinvited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact once the subject rules are notified and will give appropriate impact in its financial results in the period in which, the Code becomes effective and the related rules to determine the financial impact are published. The Carrying Value of plant & Machinery had been restricted in the earlier quarter, to the estimated residual value (Less than 5% of original cost of the asset)

The previous period figures have been regrouped / reclassified wherever necessary to conform to current period classification.
